Dual MSF/MSEQE (Master of Science in Finance / Master of Science in Econometrics and Quantitative Economics)

In general, the Dual MSF/MSEQE can be completed in 21 months. The student must be admitted to both the MSF program and the MSEQE program. University policy on dual degrees stipulates that a maximum of 50% of the credit hours for the program with fewer units may be counted toward both degrees. The MSF/MSEQE degree requires a total of 51 units.

In summary:

MSF Degree requirements: 36 units of coursework

MSEQE Degree requirements: 30 units of coursework

However: 6 units of MSF coursework can be counted toward the MSEQE and
9 units of MSEQE coursework can be counted toward the MSF

Therefore, to receive the Dual MSF/ MSEQE degree, the following are required:

- 18 units of required MSF Investment Management track coursework (6 courses)
- 6 units of required MSF Investment Management track coursework to count toward both the MSF and MSEQE (2 courses)
- 3 units of elective MSF coursework (1 course)
- 15 units of required MSEQE coursework (5 courses)
