

# McClelland Hall Facilities Re-entry

AUGUST 6, 2020

Eller College  
of Management

**This presentation highlights safety measures implemented in McClelland Hall, done in preparation for those from the Eller Community that will return to campus in fall 2020.**

# Face Coverings

Face coverings must be donned (put on) before entering and occupying any UArizona work location except single occupancy offices and single occupancy vehicles. Face coverings must be donned (put on) before entering all shared spaces including but not limited to restrooms, hallways, stairwells, elevators, and lobbies. Face coverings must be worn in transit, indoors and outdoors. Employees should keep a face covering available at all times while at the workplace. Employees should continue to use face coverings even when physical distancing (e.g., greater than 6 feet between individuals) is practiced, especially indoors. These are not guaranteed to protect you from exposure but will reduce potential spread from people who may not be showing symptoms. **Face coverings are not substitute for physical distancing**, which should remain the primary means of preventing transmission.

Use Face Coverings to Protect Your Community

Eller College  
of Management

**At every McClelland Hall entrance, signs will be posted directing people to pickup a mask at the 201 Undergraduate Programs reception desk, if they have forgotten a mask.**

## UA Branded Masks

- Two UA branded washable face masks will be provided to every person in the UA Community.
- The Eller Facilities Team will work with Eller departments, suites and programs to distribute masks to Eller faculty, staff, PhD and master students beginning August 26<sup>th</sup>.
- The Bookstore will be at McClelland Hall on Tuesday August 25<sup>th</sup> 8:30 to 4 PM to distribute masks to students. A trailer will be parked in front of McClelland Hall on Helen Street.

## Eller Branded Masks

- An Eller branded washable face masks will be provided to Eller faculty, staff, grad students and upper division/professionally-admitted undergrad students.
- Delivery date and distribution TBD.

# Traffic Flow Control

## McClelland Hall Perimeter Doors

Doors designated as “entrance only” and “exit only”

Eller College  
of Management

## Traffic flow clearly marked in Main Hallways

## Stairwell Traffic Flow

- East stairwell – up only
- North and West stairwells – down only
- MIS Commons stairwell – up only
- PDC stairwell – both directions (up/down) to maintain connectivity between L2 and L3

## Classroom Traffic Flow

- Large classrooms with two doors will have designated “enter only” and “exit only” doors
- Release students early to prevent bottlenecks and minimize crowding as students enter/exit classroom
- Students to wait outside the building prior to class

# Elevators

**Elevator capacity limited to 2 people**

Eller College  
of Management

# Building Air Filtration

- 
- The current filters at McClelland have capability of MERV-8. MERV-13 filters have been ordered, but there is a backlog. Delivery expected in September.
  - FM is looking at a target number of 15% for the fraction of circulated air that comes from outside as opposed to inside. FM is reporting that McClelland Hall is at 41.86% which FM considers a very good number.

# Cleaning Frequency

**On daily basis, FM will  
enhance cleaning and  
disinfectant protocols  
throughout the building.**

**McClelland Hall Entrances,  
Restrooms, Hallways, Stairwells,  
Elevators, Showers will be  
cleaned daily.**

**McClelland Hall Classrooms  
will be cleaned daily.**

**Plexiglass installed  
at reception areas**

## Hand Sanitizer stations installed:

- Building entrances
- Elevator lobbies
- Classrooms
- Student study and collaboration areas
- Labs

- 
- Bottles of spray disinfectant and paper towels placed throughout building. Eller staff and faculty to disinfect conference rooms, breakrooms, copy rooms, mail rooms, before and after each use.
  - Frequently touched surfaces to be disinfected throughout the day.

- 
- Disinfectant spray bottles placed in all classrooms.
  - One bottle for teaching console – instructors to disinfect before and after each class.
  - One bottle (or more for larger classrooms) for students to disinfect their seating areas before each class.

**Hand Sanitizer bottles  
placed in reception  
areas, conference  
rooms, copy rooms,  
breakrooms and PhD  
areas.**

# Restrooms

**WASH YOUR HANDS FOR 20 SECONDS**

 THE UNIVERSITY OF ARIZONA

**OR, SING THIS IN YOUR HEAD WHILE YOU WASH:**
