- Submit Cover Letter and Resume to eSMS

Important Points

- Advanced Standing into the Bachelor of Arts in Economics within Eller College of Management is a selective process.
- A \$55 application fee will be charged to all students submitting an application. For current University of Arizona students, this fee is charged to the student's Bursars account. Students not yet admitted to the University must pay the \$55 application fee online once their eligibility is confirmed (more information shared in advising appointment).
- Students may only apply for Advanced Standing two times.
- Students who are on Academic Probation at the University of Arizona at the end of the application semester will lose their Advanced Standing. Students are not eligible to start their upper division major coursework while on Academic Probation.
- Late applications will not be accepted
- The Eller College of Management charges a differential tuition fee each semester for the professional program.

Advanced Standing Application Periods

Each semester will have two types of Advanced Standing Application Periods: *Priority Advanced Standing* and *Rolling Advanced Standing*.

Priority Advanced Standing Application Period:

- The Priority Advanced Standing Application Period will end before Priority Registration for classes begins, ensuring students the ability to register for upper division ECON courses during their Priority Registration for classes
- All students who apply and meet the deadlines during this Priority Advanced Standing Application Period will be automatically enrolled in ECON 361 for the semester in which they will start their upper division BA Economics coursework.
- Students must successfully meet all deadlines in order to be eligible to take advantage of the benefits of the Priority Advanced Standing Application Period

Rolling Advanced Standing Application Period:

- The Rolling Advanced Standing Application Period will open after the Priority Registration ends
- Students who apply during the Rolling Advanced Standing Application Period will NOT be able to register for upper division ECON courses during their Priority Registration for classes, as the Rolling Advanced Standing Application will not open until after this time
- Students who apply during the Rolling Advanced Standing Application Period will NOT be guaranteed a seat in ECON 361, and will instead need to register themselves into this course upon admission to the BA Economics major
- The Rolling Advanced Standing Period will open on November 18th, 2022 and stay open until December 30th, 2022

Advanced Standing Application Preparation

Cover Letter (1 page)

Please write a Cover Letter for your Advanced Standing application. In a typical job application, you would write the letter based on the position description as an introduction to your Resume. Below is a statement that equates to a job description for the Eller College professional program. Please use this “position” description when developing your Cover Letter:

The Eller College of Management is seeking talented, highly motivated, and hardworking individuals committed to excellence and sound ethical behavior. Candidates should demonstrate critical thinking and communication skills, work well in collaborative environments, articulate the importance of Economics in today’s global marketplace, and understand their career goals and professional development needs. Candidates should use personal examples from a variety of experiences to highlight their unique contribution to the professional program cohort.

You should write about your accomplishments, goals, and strengths as a candidate for the Eller College professional program. The best letters have an individual feel and provide examples or evidence of the authors’ claims. Try to avoid generic statements. Instead, talk about yourself, your accomplishments thus far, and plans for the future. Show that you are unique and give them insight into the real you.

Concentrate on and use proper grammar and spelling and use clear, direct language. Avoid too many “I” statements. Cover Letters are usually three to four short paragraphs in length, and no longer than 1 page, in 10-12 size font.

See Template on page 4 to develop and structure your Cover Letter.

The templates provided are guidelines for formatting only, the Cover Letter and Resume content must be your own work.

Dear Eller College Admissions Committee:

The **OPENING PARAGRAPH** should explain: State that you are applying for the Economics Major, why you chose this major, and how this major relates to your future career aspirations, and what path do you wish to follow with an Economics major.

The **MIDDLE PARAGRAPH(s)** should: Highlight a specific instance from your co-curricular activities, work experience, and/or accomplishments. You should highlight transferrable skills from a specific experience and explain how those are applicable to pursuing a degree in Economics. Consider the following:

- *What have you learned in through the experience you've highlighted?*
- *What transferrable skills have you gained from this experience?*
- *Summarize and relate how the experience and skills you outline above apply to your major/ being admitted to Eller.*

Paragraph 2 (Optional): Be sure to diversify this experience and set of skills from the one outlined above in Paragraph 1. Choose a different experience and skill set. Consider the following once again:

- *What have you learned in through the experience you've highlighted?*
- *What transferrable skills have you gained from this experience?*
- *Summarize and relate how the experience and skills you outline above apply to your major/ being admitted to Eller.*

The **CLOSING PARAGRAPH** should: Give some compelling yet specific reasons why you should be part of the BA Economics major through the Eller College. Consider the following:

- *What can you contribute to this community? What makes you who you are?*
- *Sum up how you will be an effective member of the Eller College.*

Sincerely,

Your *Signature* Here (*Handwritten in Black or Blue Ink*)

Your Typewritten Name Here (You should leave 4 spaces between your closing and your typewritten name.)

Resume (1 page in length)

A professional, high-quality Resume is a necessary step for your career. A good Resume cannot be written in just a few minutes: it requires thought and analysis. The Resume is a summary of your experiences, not your full-length biography. It is not simply a list of jobs held and duties performed. You must create a Resume that emphasizes your accomplishments and achievements. Communicate what skills you have to offer, not just what you have done. For Professional Admission and Eller College recruiting events, you should develop a one-page, chronological format Resume.

We have included a sample resume (page 6) that you are welcome to use as a guide as you develop your own personal resume. The chronological Resume presents experience and education in reverse time order (most recent experience first). The format utilizes visuals, such as underlining, bolding, italics and bullets to make items stand out. Resumes should be written for the situation and the needs of the audience.

Resume Suggestions:

- Resume should be neat and error free – no spelling, grammar or typographical mistakes
- Limit Resume to **one** 8 1/2" x 11" page printed with a laser printer on high-quality, neutral color paper
- DO NOT use a MS Word template to create your Resume; if you use UA Resume Builder, download your Resume into Word to format correctly
- Use 10-12-point font (9-point font *minimum*); Times New Roman or similar font preferred
- Use even margins, minimum of 1/2 inch on all sides
- Consistent use of punctuation, i.e. periods at the end of all bullets or none
- Use clear, simple, positive wording
- Use bullet points—skills and information should be easily identifiable, not buried in lengthy paragraphs
- Limit use of abbreviations/acronyms
- Use "action" words and action-verb phrases
- Omit all pronouns and unnecessary articles such as "a," "an," "the"
- Avoid the use of pronouns ("I" and "me")
- Use consistent tense throughout (present tense for current positions; past tense for previous work)
- Use conventional abbreviations and capitalization for Resumes
- Include month and year when you are including dates in your experience section; use consistent format
- Always include degree and current major under the Education section:

The University of Arizona, Eller College of Management

Bachelor of Arts in Economics

- **Major:** Pre-Economics
- **GPA:** 3.3

- Encouraged to include cumulative GPA if 3.0 or above
- Do not include personal statistics (age, weight, marital status, etc.) on Resume
