

Technology Requirements

Students taking courses through the Eller College of Management need regular access to a computer with reliable, high-speed Internet access that meet the criteria below. A significant percentage of the course work may be completed online, thus it is highly recommended that students have a backup plan in case their primary computer becomes unavailable.

Technology Requirements													
PC	Mac												
Internet connection	Cable Internet or DSL highly recommended Preferred minimum 3 Mbps download and 2Mbps upload speeds (test your speeds using http://speedtest.net) Internet connection should meet Examiity Requirements: https://intech.arizona.edu/knowledge-base/minimum-tech-requirement-examiity												
Hardware	<table border="1" style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 50%; vertical-align: top;"> <ul style="list-style-type: none"> Intel i5, i7, i9 processor 16 GB of memory 500 GB SSD (Please have 200GB free space) </td> <td style="width: 50%; vertical-align: top;"> <ul style="list-style-type: none"> MacBook, MacBook Pro, Mac mini, iMac or iMac Pro (Air may overheat with a Windows VM) 16 GB of memory 500 GB SSD (200GB free space) M1 MacBooks are currently not supported due to virtualization limitations </td> </tr> </table>	<ul style="list-style-type: none"> Intel i5, i7, i9 processor 16 GB of memory 500 GB SSD (Please have 200GB free space) 	<ul style="list-style-type: none"> MacBook, MacBook Pro, Mac mini, iMac or iMac Pro (Air may overheat with a Windows VM) 16 GB of memory 500 GB SSD (200GB free space) M1 MacBooks are currently not supported due to virtualization limitations
