The Eller College of Management is highly focused on you—the student—and your experience, always.

YOUR ELLER SUCCESS TEAM: We support every step of your journey, through academic, career search and beyond.

ACADEMIC ADVISOR: Your dedicated academic advisor will assist you with everything from course planning to classroom support and can help you navigate a large campus setting as you look to purchase your books, figure out parking and more.

CAREER COACH: Your career coach will assist you in building your resume, preparing for the career fair, networking with potential employers and everything in between. From day one, we have your career outcome in mind and will help you every step of the way to get there.

PEERS AND COMMUNITY: Eller students form a strong community and through a shared classroom experience and the many opportunities to get involved and put your leadership and business skills to work.

There are more than 40 clubs and organizations that span major interests, industry interests and special interests. For example, the Eller Transfer Ambassadors are a premier student-led club that is run by and for all transfer students in the college.

#ExperienceEller

After a stint in the Army Reserves and spending some time in nursing school, Emily Watson remembers thinking: ‘What do I have to offer’...

“Eller faculty and staff reminded me that I have a lot of life experiences. After I talked with them, I walked Eller’s halls differently because **I felt like I belonged.**”

EMILY WATSON '20 BSBA

Accounting | Tucson, AZ

- **Pima Community College Transfer**
- **Healthcare Experience**
- **Career Outcome: Consultant with Protiviti**

YOUR ELLER SUCCESS TEAM will help connect you to resources on the UArizona Campus to make your transition a seamless process. Even before you transfer, your Eller Advisor and Career Coach can help you to prepare for the path ahead.

Arizona Community College students planning to transfer to the Eller College of Management can follow the plan for the Associates for Business (ABUS) while also completing the Arizona General Education Curriculum for Business (AGEC-B).

Out of State students can use <https://aztransfer.com/UACEG/UACEGOutOfState.html>. Note: this is not a complete list as not all potential coursework has been evaluated.

**UARIZONA HAS BEEN RECOGNIZED BY
2020 U.S. NEWS & WORLD REPORT AS ONE
OF THE TOP INSTITUTIONS FOR VETERANS.**

Eller College of Management proudly serves both military and military-affiliated students in collaboration with our Eller Student Military Peer Liaison. Connections between Eller and the Veteran Education and Transition Services—or VETS—Center contribute to providing a safe and supportive environment that makes the transition from military to student to employed graduate as smooth as possible. Your Eller advisor can help you connect to the Military Connected Benefits and Certifications Office to assist with topics, such as Tuition Assistance or GI Bill benefits.
