OVERVIEW	In the immersive Full-time MBA program, you'll work with a tight-knit community of peers and receive one of the best values in graduate management education. Choose one of five concentrations and consider dual-degree options to boost the value of your experience even more.	Ideal for working professionals, the Eller Evening MBA program delivers our in-depth curriculum while requiring in-person courses only one evening per week. You'll gain a quality business education alongside fellow professionals working at some of the area's most notable companies and institutions.	In the Eller Executive MBA, Those in leadership and management positions can push their potential to even higher levels with an MBA that works with a manager's rigorous scheduling needs. You'll meet on campus once a month for two consecutive days of intensive coursework and earn your degree alongside fellow professional leaders in 21 months.	The Eller Online MBA program is our most flexible—offering the Eller experience in a fully online format that adapts to your schedule. With six start times per year, you can begin when you're ready and take anywhere from 14-48 months to complete your MBA.	The frontier of technology and the future of business come together in this forward-thinking MBA program. Change your future over the course of 21 months while doing much of your learning from home on a flexible schedule—and add valuable practicum experience every other week.
