Spend eight weeks of your summer in Hong Kong, one of the largest financial centers in the world!

Complete business courses at a local university in Tokyo, Japan or Hong Kong!

Pair with critical languages study in Korean, Japanese, or Chinese, or add an East Asian Studies minor

*"The most valuable experience that I gained from this summer abroad was being immersed in an extremely diverse company. I loved this because it made me believe that a global career is a possibility for me. It was amazing to immerse myself into Hong Kong both inside and outside of work." - Eller Hong  
Kong Internship, Summer 2019*
