

# Apply to a Program

**Instructions**

Based on your profile information, your application type is: Domestic

In addition to the University of Arizona Main Campus in Tucson, AZ, many graduate programs of study are offered through other physical and online campuses. Please refer to the [Descriptions of University Campuses](#) in the main Catalog for more information.

**IMPORTANT:** If you are already enrolled in a graduate program on one UA campus, you should choose a program on a different campus **only** if you will complete or discontinue your current program before enrolling in the new program. Students may not be simultaneously enrolled on multiple campuses.

## Choose The Campus, Location And Category Of Your Intended Program

- Degree Seeking
- Certificate Program
- Graduate Exchange
- Accelerated Masters Program

- Campus:** Choose first whether you would like to apply for an in-person or online program. In-person campuses are listed by geographic area. All applicants seeking an online option should choose “UA Online”. The majority of our in-person programs are offered at either our Tucson or Phoenix locations. Example: Executive MBA students would choose “Phoenix” under campus selections.
- Location:** Some programs are offered in multiple locations. If your program offers this option, please make sure to specify which location in which you would like to attend classes.
- Program Category:** Some Eller programs offer the option for applicants to apply as degree seeking, non-degree seeking, or another option. It is likely that you are applying to a degree-seeking program. The “Accelerated Masters Program” option is only for current University of Arizona undergraduate students whose p[rogram allows for that option. Please contact your admissions coordinator if you are unsure which to select.
- Choose the Program of Study:** This is where you select the exact program to which you are applying. These are listed alphabetically.
