

**OMSE/OMSA Dual Degree**  
**(Online Master of Science in Entrepreneurship / Online Master of Science in Accounting)**

The Dual OMSE/OMSA degree program is recommended for students wishing to pursue a career in accounting focusing on entrepreneurial ventures, small business development, or corporate innovation. The dual degree program is particularly well suited for students that would like to obtain a broad range of innovation & entrepreneurial venture development knowledge along with a specialization in accounting.

In general, the Dual OMSE/OMSA degree can be completed in as little as two years. If additional prerequisites for either program are required, the program may take an additional semester or two to complete.

The student must be admitted to both the OMSE and OMSA programs. University policy on dual degrees stipulates that a maximum of 50% of the credit hours from the degree with fewer total units may be counted toward both degrees. Therefore, the dual OMSE/OMSA degree requires a total of 45 units.

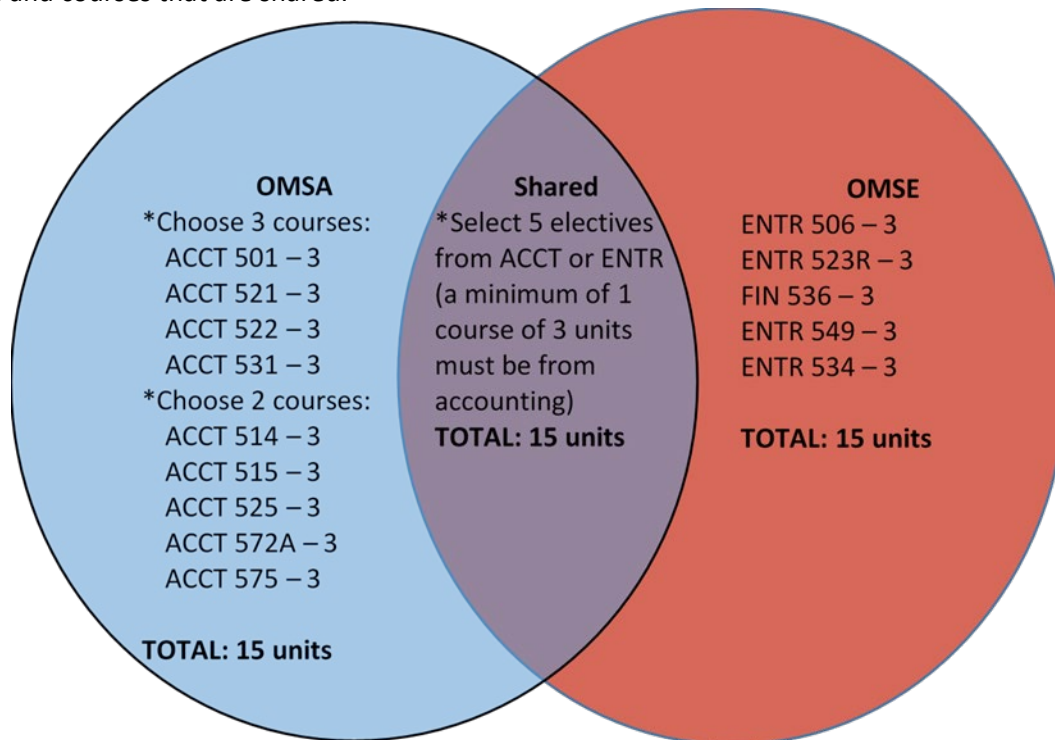

**In summary:**

The student must meet the prerequisite requirements for both degrees.

- OMSE Degree requirements: 30 units of coursework
- OMSA Degree requirements: 30 units of coursework

However, up to 15 units of course work may be counted toward both degrees, as described below.

The following diagram illustrates required courses for the OMSE degree, required courses for the OMSA degree and courses that are shared.

The following pages outline the specific course requirements of each program. The course listings include course offering times, which are subject to change based on faculty availability.

## OMSE Coursework

### Core Entrepreneurship Courses

Students must take the following **15** units:

Core Entrepreneurship Courses	Units	Online Campus Offering
ENTR 506 Principles of Entrepreneurship	3	Fall I, Spring I, Summer I
ENTR 523R Customer Focused Entrepreneurship	3	Fall II, Spring II
FIN 536 New Venture Finance	3	Fall II, Spring II
ENTR 549 Tech Ventures	3	Spring I, Fall I
ENTR 534 Industry Analysis & New Venture Development	3	Spring II, Fall II

To complete the shared degree requirements, students must take **15** total units.

Additionally, students must take **15** elective units. At least **3** of these units must be ACCT units from the following courses:

Core OMSA Courses	Units	Online Campus Offering	Prerequisites
ACCT 514: Information Technology Audit	3	Summer I	None
ACCT 515: Ethics for Professional Accountants	3	Spring II	200/210 concurrent
ACCT 525: Accounting Theory & Institutions	3	Spring I	500B
ACCT 572A: Accounting for Not-for-Profit Entities	3	Fall II	500B
ACCT 575: Financial & Managerial Accounting in Healthcare	3	Summer II	200/210
Other newly created ACCT courses as approved			

The remaining **12** elective units can come from the following courses:

Entrepreneurship Electives	Units	Online Campus Offering

ENTR 554 Leading and Organizing for Innovation	3	Summer II
ENTR 560 Entrepreneurship for Owner Operated Business	3	Spring I
ENTR 561 Family Entrepreneurship	3	Summer I
ENTR 565 Global Social Entrepreneurship	3	Fall II, Summer I
ENTR 568 Persuasion in Entrepreneurial Contexts	3	Fall II
ENTR 583 Entrepreneurial Management: Launching New Ventures	3	Spring II
ENTR 588 Social Entrepreneurship	3	Fall I

## OMSA Coursework

### Prerequisites

The following are considered prerequisite courses for the OMSA program. Some of these courses can be completed during the program, but are not counted towards the units needed to complete the dual OMSE/OMSA degree. The dual degree program will be promoted to students with a business undergraduate degree, who will almost certainly have completed the introductory financial and managerial accounting prerequisite listed below (ACCT 200/210). The remaining prerequisites can all be completed in an initial summer start term.

Core OMSA Courses	Units	Online Campus Offering	Prerequisites
ACCT 200/210: Introduction to Financial/Managerial Accounting	3-6	Fall, Spring & Summer as NDS student (space permitting)	None
ACCT 310/545: Cost/Managerial Accounting	2-3	Summer II & Spring I	210
ACCT 500A: Intermediate Financial Accounting I	3	Summer I	200
ACCT 500B: Intermediate Financial Accounting II	3	Summer II	500A
ACCT 520: Principles of Federal Taxation	3	Summer II	200 concurrent

### Core OMSA Courses

Students must take at least **18** total units of Accounting from the following tables.

Students must select a minimum of **9** units from the following core courses:

Core OMSA Courses	Units	Online Campus Offering	Prerequisites
ACCT 501: Advanced Accounting	3	Spring II	500B
ACCT 521: Business Law for Accountants	3	Fall II	None
ACCT 522: Advanced Federal Taxation	3	Fall I	520
ACCT 531: Principles of Auditing	3	Fall I	500A concurrent

Select **9** additional units from initial table or from the following courses (3 of these units count towards both degrees):

Core OMSA Courses	Units	Online Campus Offering	Prerequisites
ACCT 514: Information Technology Audit	3	Summer I	None
ACCT 515: Ethics for Professional Accountants	3	Spring II	200/210 concurrent
ACCT 525: Accounting Theory & Institutions	3	Spring I	500B
ACCT 572A: Accounting for Not-for-Profit Entities	3	Fall II	500B
ACCT 575: Financial & Managerial Accounting in Healthcare	3	Summer II	200/210
Other newly created ACCT courses as approved			

Remaining units for the OMSA degree are elective units that can come from the above tables or from the OMSE electives table.
