Why choose iCourse/Hybrid Start?

**Balance**

- Allows for a lighter load in Fall 2022 and beyond
- Allows you to spread out required Professional Core courses and give flexibility for Major Electives
  - You would begin your Major Core courses in Fall 2022 (courses specific to your major)
- Allows you to create space for Minor, Dual Degree, Double Major, Study Abroad, etc.
  - Reminder: Double Major is not guaranteed but Summer Start provides flexibility
Pre-Session: May 16 – June 4
  • MGMT 310A: (3 credits) – taught as asynchronous *iCourse

Summer Five Week I (5W1): June 6 – July 7
  • MKTG 361: (3 credits) – taught as asynchronous iCourse
  • BCOM 314R: (3 credits) – taught as remote *Hybrid
    • *Hybrid will include asynchronous class for the majority of the 5 weeks, but a Live Online (Zoom) case competition will be required on July 6th

*iCourse = no required meeting time, on your own time but not at your own pace
Course Specifics

- Students are required to participate in the BCOM 314R Case Competition on July 6th via Live Online (Zoom) meeting.
- Similarly to how students would participate during the case competition in-person, this Live Online (Zoom) version is an integral experience for all students pursuing a BSBA.
- Please do not plan any time away for the week of July 6th to be present for the BCOM 314R case competition. Keep in mind this will also be the week of the final exam for the iCourse, MKTG 361.

- IMPORTANT! For the Summer iCourse/Hybrid Start, students are required to complete all 3 courses (MGMT, MKTG, BCOM). Students must do all 3, cannot do less.
